# The Annual Quality Assurance Report (AQAR) of the IQAC

(For Affiliated/Constituent Colleges)

# 2018-19

Institutions Accredited by NAAC need to submit an Annual self-reviewed progress report i.e. Annual Quality Assurance Report (AQAR) to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the IQAC at the beginning of the Academic year. *The AQAR period would be the Academic Year. (For example, July 1, 2017 to June 30, 2018)*

# **CRITERION VI - GOVERNANCE, LEADERSHIP AND MANAGEMENT**

# 6.1 Institutional Vision and Leadership

6.1.1 Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The College strictly adheres to principle of decentralisation of and participative management. All the activities of the college (other than teaching) are assigned to by creating different cells, departments etc. Each cell or department is headed the principal of a faculty member and also represented by few other faculty members. Moreover, almost all cells and associations represented by a student representatives. Periodically, the meetings of all these cells and associations are held regularly to discuss the work done and to be done.

Under participative management, each and every faculty member is represented on different cells, associations etc. Moreover, students are also represented on almost al, these cells, associations etc. Meetings are held regularly to take stock of the work done and plan for future course of activities. In this way, participative management and inclusiveness is maintained in the institution.

Yes/No/Partial: Partial

**Notices, Meetings, Personal Interactions, Telephonic Information, etc.** The institution employs the following methods as a part of Management Information System for the flow of information in upward and downward mode. Some of these methods are as follows:

**1. Notices:** Notices are circulated in the classroom and among the staff members for the dissemination of important information. Such notices are kept as record for future reference.

2. Meetings: Different meetings are held periodically, important points are discussions are discussed and information is disseminated in such meetings. These meetings include are-staff meetings, Student Council meetings, Meetings of different cells, associations etc. The minutes of such meetings are kept as record for future reference.

3. Telephony: Important information is also disseminated among the student and staff members through telephony.

## 6.2 Strategy Development and Deployment

6.2.1 Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Curriculum Development: Curricula of each and every subject of all the classes are designed and developed by the University of Mumbai to which the college is affiliated. Hence the college has no direct or indirect role in the curriculum design and development.

But the college the college takes a lot of care in the time-bond completion of the syllabi of different subjects by preparing time-table at the beginning of the year.

- Teaching and Learning: To make teaching more effective, merely chalk-and-talk method is not resorted to. To make it more effective and student-friendly, different methods like interactions with the students, mentor-mentee system, personal counselling etc. are used. It is firmly believed that, all these methods go a long way in making the teaching and learning more effective.
- Examination and Evaluation: At present, question papers of all the subjects are set by the University and the college conducts the examinations. T Y B A and B. Com answer papers are assessed on line by the faculties. Answer papers of different subjects of F Y and S.Y. B. A. and B. Com classes are assessed at the college level. Transparency is maintained in the entire examination process subject to prevailing rules and regulations of the University. Student grievances, if any, are done away immediately, as per the rules stipulated by the University.
- Research and Development: No minor or major research activities have been undertaken by the faculty members during the year. Almost all faculty members have been involved in the Ph. D. studies in their respective subjects. In the next 2-3 years, almost all the faculty members are expected to possess Ph. D. degree. In addition to this, almost all faculty members have attended seminars, conferences etc. as and when conducted outside elsewhere and presented the research articles and also in research journals.
