2.5.1 Mechanism of Internal Assessment

For the internal evaluation of the students, the College has developed 32 Tips/ Techniques. The college has taken care of needs and requirements for enhancements of students while developing these tips and techniques. Some techniques are practice oriented. To maintain the records a separate internal evaluation Committee is formed. This committee has to device the schedule of the internal evaluation, assignment

Completion work Report of the Dept. of Student Development Cell for Academic Year 2020-21

In the academic year 2020-21, financial assistance was given to the needy students through the Student Development Cell of the college. Financial assistance was given to two students who helped the library in the Earn and Learn scheme of the college. No plan was implemented this year to provide financial assistance to needy students through ANGC, an association of principals. The students were informed about the financial assistance scheme being implemented by the University of Mumbai for the needy students but due to the lockdown rules of the state government, the students could not apply for the scheme within the stipulated time.
