Development of Paras Bag “Backyard Garden”

A scheme of “Paras Bag” i.e. Backyard Garden cultivation has been initiated by the college. Under this scheme, students have been given the ideas of cultivation of vegetables and other crops in the backyard of their houses. They have been given thorough ideas with regard to cultivation of crops. In this regard, there is the practice of awarding 1st, 2nd and 3rd prizes for the best developer of Paras Bag being maintained by the students after taking the advice of the experts in this field.

In this regard, the college has arranged guidance and suggestions of the experts for the benefit of students by actually visiting to the gardens maintained by students.
