### 1.1.2

**The institution adheres to the academic calendar including for the conduct of CIE**

#### **Departmental Planning and Completion Report (Tips)**

The institution has adopted a novel concept of “tips/ Techniques” for planning and streamlining the assessment of performance of students periodically. Therein, we have also prepared a calendar for Continuous Internal Evaluation (CIE). These tips include library visit, survey works, projects, case studies, general knowledge tests, monthly tests, pre-examinations, seminars, tutorials, home assignment, presentations, group discussion, classroom assignments, off-period assignments, practical works, wall magazines, poster making, elocution, story writing, multiple choice questions solution, book reviews, story narration in English, manuscripts, self-study related to academic matters, research reading, preparing notes, preparing schedules, diagrams, solving statistical and mathematical problems in accountancy, model making, interactive sessions and off-period works etc.

This concept is a comprehensive and all-pervasive and is specially designed to assess the students in academic and related matters. The above novel techniques provide a broad framework for systematically assessing the performance of the students internally.

Implementation of the technique:

At the beginning of the academic year, every faculty member prepares a plan of activities to be undertaken for assessment of activities throughout the year. Keeping in mind the above plan, they undertake activities. At the end of the year, they submit the report of the activities undertaken by them.
