

# “Commerce Fest”

**2023-24**

**1<sup>st</sup> Feb. to 5<sup>th</sup> Feb. 2024**

## **Introduction:**

The College firmly believes that the knowledge of the students should stretch beyond the curriculum framework. The knowledge of the students is really tested when it comes to self-employability and finding and doing the government and private jobs. The purpose of getting knowledge through textbooks fails if such knowledge is not put into use by the students in due course of time. In other words, along with imparting knowledge as mentioned in the curriculum framework, the college firmly believes that, it is equally important to increase the competitive edge, the entrepreneurial skills of the students and also improve their practical way of thinking.

In view of the above, as a part of best practices, the College has decided to plan and conduct “Commerce Fest” every year, from the academic year 2021-2022 onwards. This festival, among other things, includes conducting commerce quizzes, holding traditional menu competition, conducting PPT competitions etc. The basic aim behind holding “Commerce Fest” every year is to unearth the latent talents of the students, and increase the employability in their future life. Entire fest includes a series of programmes spread over around four days. It is well planned, given wide publicity and meticulously implemented so as to enable maximum number of students to participate.

## **Objectives of the Fest:**

1. To increase the pragmatic thinking ability of the students.
2. To develop the entrepreneurial skills and abilities of the students.
3. To increase the presentation skills of the students.
4. To generate interest among them to face competitive examinations.
5. To increase the prospects of self-employability and also professionalism of the students by conducting traditional menu competition.
6. To bring out the hidden talents of the students and enable them to use such talents- while doing jobs or in their self-employment related activities.
7. To increase the instant challenge-facing ability of the students.
8. To develop and nurture leadership qualities and abilities among the students.
