Details of facilities for alternate sources of energy

Renewable energy source

Solar Panel System

Solar lights are raised light sources which are powered by photovoltaic panels generally mounted on the lighting posts. The photovoltaic panels, charge a rechargeable battery, which powers a fluorescent or LED lamp during the night. It converts the solar energy into electricity. It is the important form of renewable source of energy and also non-polluting in nature. Considering need of time this institute has installed solar system for Library, Principal Office and Administrative Office. We have decided to extend it to whole campus in phase manner in near future.

Features of Solar System:

- ✓ Effective solution on frequent power cuts
- ✓ Safe to handle
- ✓ Convenient (Lack of maintenance)
- ✓ Easy in operation
- ✓ Subsidized cost lower than alternatives
- ✓ Quality of light much higher than alternatives
- ✓ It is a nonpolluting source of electricity
- ✓ It allows saving of energy and cost.

Warranty

Terms & Conditions for Samudra LED Luminaires

This document contains the warranty policy of Samudra LED from who you ('Purchaser') purchase your Samudra LED luminaires.

This warranty policy is subject to the provisions as set forth herein and is subject to the terms and conditions included in this document.

This warranty policy only applies if referred to in a sales agreement between Samudra and the Purchaser.

A. Warranty period

Subject to the provisions as set forth in the warranty terms and conditions and as set forth hereunder, Purchaser receives the warranty for the applicable period, as described in section B hereunder.

B. Lighting-conditions of use

- i. This warranty applies to all luminaires manufactured by Samudra LED.
- ii. The warranty period starts on the date of invoice.
- iii. The warranty is only valid for products operating in a maximum ambient temperature of +40°C.
- iv. The warranty period is no longer valid when a Purchaser makes any unauthorized changes to the product.
- v. In case of repair or replacement of the product after approved claim, the balance of the original warranty period (date of purchase of first product) shall continue on the repaired / replaced product.
- vi. The warranty is only applicable when the product is properly handled, installed and maintained according to our instructions written in the mounting instructions of the product.
- vii. Purchaser shall not rely upon any other information or documentation.

C. Summary of the Warranty Terms and Conditions

- i. This warranty is valid only for products sold in India.
- ii. Warranty covers manufacturing defect/s only.
- iii. The products have been properly installed and operated in accordance with the manufacturer's instructions.
- iv. Adequate records of operating history are kept and available for inspection by Samudra.
- v. Samudra will have access to the defective Products. If the products or other parts become suspect, Samudra will have the right and access to inspect them.
- vi. The Products must have been purchased directly from Samudra or an authorized dealer to claim warranty.
- vii. Proof of purchase for the Products is mandatory to claim warranty.
- viii. Labor costs for un-installation & installation of the Products are not covered under this warranty.
- ix. Shipping & Handling costs for products proved to have manufacturing defects must be borne by Purchaser.

D. Limited Warranty

The warranty as described herein shall only apply to Samudra branded lighting products (herein after referred to as 'Product') sold by Samudra or its authorized dealer or distributor. Samudra warrants that each Product will be free from defects in material and workmanship. The foregoing warranty shall be valid for the period mentioned in the applicable warranty policy for your Products as referenced to in your sales agreement.

If a Product fails to operate in accordance with this warranty Samudra will provide free repair/replacement of the failed Product subject to the applicable warranty policy and the limited warranty terms and conditions set forth below.

E. Terms and Conditions

- i. Samudra's warranty flows only to Purchaser. If any Product covered by this warranty is returned by Purchaser in accordance with section F and within the applicable warranty period set forth in the warranty policy and upon examination Samudra determines to its satisfaction that such Product failed to satisfy this warranty, Samudra will, at its option, repair or replace the Product or the defective part thereof. For purposes of clarity, 'repair or replace the Product or the defective part thereof' does not include any removal or re-installation activities, costs or expenses, including without limitation, labor costs or expenses.
- ii. If Samudra chooses to replace the Product and is not able to do so because it has been discontinued or is not available, Samudra may replace the product with a comparable product.
- iii. No agent, distributor or dealer is authorized to change, modify or extend the terms of the limited warranty on behalf of Samudra, in any matter unless the dealer is specifically and explicitly authorized to carry out repairs.
- iv. This limited warranty only applies when the Product has been properly wired and installed and operated within the electrical values, operating range and environmental conditions provided in the specifications, application guidelines or any other document accompanying the Products. If a Product is found to be defective, or not performing per the product specifications, the Purchaser must notify Samudra in writing.
- v. Samudra will facilitate the technical resolution of problems.
- vi. This warranty does not apply to damage or failure to perform arising as a result of any Acts of God or from any abuse, misuse, abnormal use or use in violation of any applicable standard, code or instructions for use including without limitation those contained in the latest safety, industry and/ or electrical standards for the relevant region(s).
- vii. This warranty shall be void in the event any repairs or alterations, not duly authorized by Samudra in writing, are made to the Product by any person. The manufacturing date of the product has to be clearly readable. Samudra reserves the right to make the final decision on the validity of any warranty claim.
- viii. Each Samudra product is designed for a specific application. Warranty becomes null & void if the said product is applied / used for any other purpose than specified.
- ix. Non-conforming or defective Products shall become Samudra's property as soon as they have been repaired/replaced.

F. Warranty Claims

All warranty periods mentioned are subject to Samudra having access to the failed product or system for verification of non-compliance. Guarantee claims must be reported and returned to the local Samudra office within 30 days after discovery, specifying the following information (additional info may be required on request):

- i. Details of the failed Products.
- ii. Installation date and invoice date along with invoice no.
- iii. Detailed problem description, number and date of failure.
- iv. Application.
- v. Where a warranty claim is justified, Samudra's liability will be limited to repairing / replacing the defective product. Freight expenses or any other incidental expenses will be borne by purchaser.
- vi. The Purchaser will be responsible for to and from shipping and associated costs.

G. Limitations and conditions

This is a limited warranty and excludes, among other items, installation, providing access to products (scaffolding, lifts, etc.) and special, incidental and consequential damages (such as loss

of revenue/profits, damage to property or other miscellaneous costs not previously mentioned), and is further defined by the limitations and conditions set forth in the respective warranty policy and these terms and conditions.

- Upon request, Samudra's representatives must be allowed to access the defective Product, system or application for verification of non-compliance.
- Samudra will not be held liable for electrical supply conditions, including supply spikes, over-voltage/under-voltage and Ripple Current control systems that are beyond the specified limits of

- the products and those defined by relevant supply standards.
- With respect to products sold to the Purchaser by Samudra but not bearing the Samudra name or sub-brands, such products, will be covered under a separate warranty contract based on mutually agreed terms. This contract does not cover such products.
- Any dispute or difference arising out of this warranty contract shall be limited and subject to Mumbai Jurisdiction.

Warranty

Terms & Conditions for Samudra LED Luminaires

This document contains the warranty policy of Samudra LED from who you ('Purchaser') purchase your Samudra LED luminaires.

This warranty policy is subject to the provisions as set forth herein and is subject to the terms and conditions included in this document.

This warranty policy only applies if referred to in a sales agreement between Samudra and the Purchaser.

A. Warranty period

Subject to the provisions as set forth in the warranty terms and conditions and as set forth hereunder, Purchaser receives the warranty for the applicable period, as described in section B hereunder.

B. Lighting-conditions of use

- This warranty applies to all luminaires manufactured by Samudra LED.
- The warranty period starts on the date of invoice.
- The warranty is only valid for products operating in a maximum ambient temperature of +40°C.
- The warranty period is no longer valid when a Purchaser makes any unauthorized changes to the product.
- In case of repair or replacement of the product after approved claim, the balance of the original warranty period (date of purchase of first product) shall continue on the repaired / replaced product.
- The warranty is only applicable when the product is properly handled, installed and maintained according to our instructions written in the mounting instructions of the product.
- Purchaser shall not rely upon any other information or documentation.

C. Summary of the Warranty Terms and Conditions

- This warranty is valid only for products sold in India.
- Warranty covers manufacturing defect/s only.
- The products have been properly installed and operated in accordance with the manufacturer's instructions.
- Adequate records of operating history are kept and available for inspection by Samudra.
- Samudra will have access to the defective Products. If the products or other parts become suspect, Samudra will have the right and access to inspect them.
- The Products must have been purchased directly from Samudra or an authorized dealer to claim warranty.
- Proof of purchase for the Products is mandatory to claim warranty.
- Labor costs for un-installation & installation of the Products are not covered under this warranty.
- Shipping & Handling costs for products proved to have manufacturing defects must be borne by Purchaser.

D. Limited Warranty

The warranty as described herein shall only apply to Samudra branded lighting products (herein after referred to as 'Product') sold by Samudra or its authorized dealer or distributor. Samudra warrants that each Product will be free from defects in material and workmanship. The foregoing warranty shall be valid for the period mentioned in the applicable warranty policy for your Products as referenced to in your sales agreement.

If a Product fails to operate in accordance with this warranty Samudra will provide free repair/replacement of the failed Product subject to the applicable warranty policy and the limited warranty terms and conditions set forth below.

E. Terms and Conditions

- Samudra's warranty flows only to Purchaser. If any Product covered by this warranty is returned by Purchaser in accordance with section F and within the applicable warranty period set forth in the warranty policy and upon examination Samudra determines to its satisfaction that such Product failed to satisfy this warranty, Samudra will, at its option, repair or replace the Product or the defective part thereof. For purposes of clarity, 'repair or replace the Product or the defective part thereof' does not include any removal or re-installation activities, costs or expenses, including without limitation, labor costs or expenses.
- If Samudra chooses to replace the Product and is not able to do so because it has been discontinued or is not available, Samudra may replace the product with a comparable product.
- No agent, distributor or dealer is authorized to change, modify or extend the terms of the limited warranty on behalf of Samudra, in any matter unless the dealer is specifically and explicitly authorized to carry out repairs.
- This limited warranty only applies when the Product has been properly wired and installed and operated within the electrical values, operating range and environmental conditions provided in the specifications, application guidelines or any other document accompanying the Products. If a Product is found to be defective, or not performing per the product specifications, the Purchaser must notify Samudra in writing.
- Samudra will facilitate the technical resolution of problems.
- This warranty does not apply to damage or failure to perform arising as a result of any Acts of God or from any abuse, misuse, abnormal use or use in violation of any applicable standard, code or instructions for use including without limitation those contained in the latest safety, industry and/or electrical standards for the relevant region(s).
- This warranty shall be void in the event any repairs or alterations, not duly authorized by Samudra in writing, are made to the Product by any person. The manufacturing date of the product has to be clearly readable. Samudra reserves the right to make the final decision on the validity of any warranty claim.
- Each Samudra product is designed for a specific application. Warranty becomes null & void if the said product is applied / used for any other purpose than specified.
- Non-conforming or defective Products shall become Samudra's property as soon as they have been repaired/replaced.

F. Warranty Claims

All warranty periods mentioned are subject to Samudra having access to the failed product or system for verification of non-compliance. Guarantee claims must be reported and returned to the local Samudra office within 30 days after discovery, specifying the following information (additional info may be required on request):

- Details of the failed Products.
- Installation date and invoice date along with invoice no.
- Detailed problem description, number and date of failure.
- Application.
- Where a warranty claim is justified, Samudra's liability will be limited to repairing / replacing the defective product & freight expenses or any other incidental expenses will be borne by purchaser.
- The Purchaser will be responsible for to and from shipping and associated costs.

G. Limitations and conditions

This is a limited warranty and excludes, among other items, installation, providing access to products (scaffolding, lifts, etc.) and special, incidental and consequential damages (such as loss.

of revenue/profits, damage to property or other miscellaneous costs not previously mentioned), and is further defined by the limitations and conditions set forth in the respective warranty policy and these terms and conditions.

- i. Upon request, Samudra's representatives must be allowed to access the defective Product system or application for verification of non-compliance.
- ii. Samudra will not be held liable for electrical supply conditions, including supply spikes, over-voltage/under-voltage and Ripple Current control systems that are beyond the specified limits of

the products and those defined by relevant supply standards.

- iii. With respect to products sold to the Purchaser by Samudra but not bearing the Samudra name or sub-brands, such products will be covered under a separate warranty contract based on mutually agreed terms. This contract does not cover such products.

- iv. Any dispute or difference arising out of this warranty contract shall be limited and subject to Mumbai Jurisdiction.
